

Amendment passed at AGM November 26, 2022

Amendment to Article 11 According to CRA the aims and objectives of the writing set out in Article 2 under the Companies Act do not accurately reflect activities carried by MSPEI. To comply with CRA guidelines, President Chishti passed a motion to amend Article 11 of the constitution.

The following amendment was proposed:

- To advance religion by reaching and teaching the religious doctrines and observations associated with the Islamic faith.
- To advance religion by establishing and maintaining a house of worship. Services conducted in accordance with the tenets doctrines of that Islamic faith.
- To relieve poverty by providing food and other basic necessities to individuals or families who are poor, have no income or in need, depending upon the funds we have.
- To advance education by providing scholarships to Muslim high school graduates who are pursuing science and science related programs at recognized Canadian post secondary institutions.

Carried.
